

PA Driver's Ed Course:

Our driver's education program consists of 30 hours of classroom instruction. Our instructors will incorporate the latest technology, videos, PDF documents, and interactive websites and engaging discussions into each session in order to enhance the understanding and every student's learning experience. Our driver's education program is approved by the Pennsylvania Department of Education and will provide a wealth of indispensable knowledge and resources for safe and defensive driving techniques that will help each student build their confidence behind the wheel. All of our instructors are passionate about teaching driver's ed and are all accredited by the Institute for Rural Health and Safety at Indiana University of Pennsylvania (IUP).

How the Driver's Ed Course Works:

Our specially designed course consists of 10 Modules. Students will take a quiz upon completing each module to show that they have mastered and gained the knowledge they need to know from each module. All students are required to pass the final test at the end of the course with a minimum score of 75%. Every student must complete the FULL 30 hour course in order to get the certificate upon completion. The 30 Hours will be broken down into 15 (2 hour) sessions.
